At New Haven, Conn., Attended By Some Five or Six Hundred Delegates—Smoker Tonight.

Special to the Herald.

New Haven, Conn., Nov. 11.—More than five hundred members of the Delta Kappa Epsilon fraternity, many of whom have come from distant parts of the country, have assembled in New Haven to attend what promises to be the most notable convention in the history of that old and well known Greek letter society. The convention is to be ushered in this evening with a "smoker" given under the auspices of the Yale chapter of the society.

Tomorrow morning the delegates will adjourn to Hartford, where the business sessions of the convention will occupy Thursday and Friday. In New York Friday night the convention will come to a close with a brilliant banquet at the Waldorf-Astoria. C. P. Taft of Cincinnati, brother of the president-elect, will act as toastmaster at the banquet. Among the noted speakers will be Senator Beveridge of Indiana, Senator Brandegee of Connecticut, Secretary of the Navy McCall, ex-Governor Black of New York, Bishop Johnson of the Episcopal church, and Chung Men Yow, the only Chinaman in the world entitled to wear the varsity "Y" of Yale and the only Chinese member of the Delta Kappa Epsilon.

King of Italy Celebrates Birthday. Special to the Herald.

Rome, Nov. 11.—King Victor Emanuel entered upon his fortieth year today and the anniversary of his birth was observed throughout the country with great enthusiasm. Nearly every house in the city is decorated with the national flag, pictures of the king and the royal family and great crowds surround the Quirinal, if possible, to catch a glimpse of the king, when he starts on his daily automobile ride. During the morning a diplomatic reception was held at the Quirinal, on which the diplomatic representatives of the various countries represented at the Italian court congratulated the king in behalf of their governments.

given up in despair. They have tried stomach dosing, snuff, sprays and douches without success, and now believe catarrh to be incurable.

But Bratton, the druggist, holds out hope to all distressed. He sells a remedy called Hyomei which is guaranteed for catarrh, colds, coughs, bronchitis, asthma and croup.

Hyomei (pronounced High-o-me) is medicated air, full of the healthy virtues of the mountain pines. You breathe in the delightful antiseptic air, and as it passes over the inflamed and germ ridden membrane, it allays the inflammation, kills the germs, and drives out the disease.

A complete Hyomei outfit, including a hard rubber inhaler, costs but \$1, and an extra bottle of Hyomei, if afterwards needed, costs but 50 cents. See Bratton Drug Co. about it today.
